

Model	Brief technical characteristics	Price per unit, FCA Minsk, USD
<p>DROP-SIDE TRUCK MAZ-533605-222-750 (4×2)</p> 	<p>Engine YaMZ-238DE2 (330 h.p.), Euro-2, 9-speeds gearbox 9JS135A, fuel tank – 500 l, tires 11.00R20, spring suspension, large cabin with two sleeping places, speedometer, board platform with canvas cover, volume of platform – 34,5 m³, tolerable payload carried – 7700 kg. Air Conditioner* FEACN: 87042291008</p>	<p>40 850,00</p>
<p>DROP-SIDE TRUCK MAZ-630305-222-750 (6×4)</p> 	<p>Engine YaMZ-238DE2 (330 h.p.), Euro-2, 9-speeds gearbox 9JS135A, fuel tank – 500 l, tires 11.00R20, spring suspension, large cabin with one sleeping place, speedometer, volume of platform – 43,5 m³, tolerable payload carried – 12700 kg. Air Conditioner* FEACN: 8704239108</p>	<p>52 610,00</p>
<p>DROP-SIDE TRUCK MAZ-531605-212-700 (4×4)</p> 	<p>Engine YaMZ-238DE2 (330 h.p.), Euro-2, 9-speeds gearbox YaMZ -239, fuel tank –350 l., spring suspension, spoke wheels, tires 525/70R21, central pumping of wheels, without ABS, large cabin with one sleeping place, windscreen divided by vertical frame, speedometer, without light-finder, winch. Platform: board, tailgate, dropped rear board, benches, awning made of synthetic fabric. Volume of platform – 21,04 m³, tolerable payload carried – 5100 kg. FEACN: 8704239108 Overall width – 2700 mm.</p>	<p>51 660,00</p>

<p style="text-align: center;">DROP-SIDE TRUCK MAZ-631705-212-700 (6×6)</p> 	<p>Engine YaMZ-238DE2 (330 h.p.), Euro-2, 9-speeds gearbox YaMZ -239, fuel tanks –350+200l., spring suspension, spoke wheels, tires 525/70R21, central pumping of wheels, without ABS, large cabin with one sleeping place, windscreen divided by vertical frame, speedometer, light-finder, winch. Platform: board, dropped rear board, awning from synthetic fabric. Volume of platform – 32,26 m³, tolerable payload carried – 11000 kg. FEACN: 8704239108 Overall width – 2700 mm.</p>	<p style="text-align: right;">66 120,00</p>
<p style="text-align: center;">DUMP-TRUCK MAZ-555102-221-700 (4×2)</p> 	<p>Engine YaMZ-238NE2 (230 h.p.), Euro-2, 5-speeds gearbox YaMZ-2361, fuel tank – 200 l, tires 12.00R20, spring suspension, small cabin, speedometer, platform with rear unloading, volume of platform – 5,4 m³, tolerable payload carried - 11800 kg. FEACN: 8704229108</p>	<p style="text-align: right;">36 290,00</p>
<p style="text-align: center;">DUMP-TRUCK MAZ-551605-271-750</p>  <p>(6×4)</p>	<p>Engine YaMZ-238DE2 (330 h.p.), Euro-2, 9-speeds gearbox 9JS135A, fuel tank – 350 l, tires 12.00R20, spring suspension, small cabin, speedometer, platform with rear unloading, volume of platform - 12,5 m³, tolerable payload carried - 20000 kg. FEACN: 8704239108</p>	<p style="text-align: right;">54 800,00</p>
<p style="text-align: center;">FIFTH-WHEEL TRUCK MAZ-544008-070-713 (4×2)</p> 	<p>Engine YaMZ -7511.10 (400 h.p.), Euro-2, 12-speeds gearbox 12JS200TA, fuel tank – 500 l, tires 315/80R22.5, spring suspension, large cabin with two sleeping places, speedometer, size of fifth-wheel – 2”, tolerable loading on fifth-wheel – 12050 kg, height of fifth-wheel – 1380 mm, tolerable gross train weight – 48000 kg. Air Conditioner*</p>	<p style="text-align: right;">49 000,00</p>

	FEACN: 8701201018	
FIFTH-WHEEL TRUCK MAZ-643008-070-712 (6×4) 	Engine YaMZ -7511.10 (400 h.p.), Euro-2, 12-speeds gearbox 12JS200TA, fuel tank – 500 l, tires 315/80R22.5, spring suspension, large cabin with two sleeping places, speedometer, size of fifth-wheel – 2”, tolerable loading on fifth-wheel – 22 750 kg, height of fifth-wheel – 1380 mm, tolerable <u>gross train weight</u> – 65000 kg. Air Conditioner* FEACN: 8701201018	55 270,00

***For additional cost it is possible to install Air conditioner**

Time of manufacturing – from 30 calendar days (depending on quantity).

Terms of payment – 100 % advance payment or 100% irrevocable letter of credit confirmed by the Bank of A group.
