Commercial offer

Dear partners!

OJSC "Babushkina Krynka" is one of the largest producers of natural dairy products in the Republic of Belarus. Thanks to modern production facilities, the company is capable of processing up to 3000 tons of milk per day, confirming its compliance with high quality standards and traditions of dairy production.

Thorough quality control of incoming raw materials and strict quality control of the produced products is carried out in our own physico-chemical, microbiological and radiological laboratories equipped with the latest scientific and technological advancements.

The high quality of OJSC "Babushkina Krynka" products is appreciated not only by consumers, but also by professionals. The company's achievements have been recognized with prestigious domestic and international awards.

Attached you will find the current price list for our products, where you can find all the information you need about the products manufactured by OJSC "Babushkina Krynka". We also offer you to purchase SMP, WMP, and block butter, which can be acquired at the Belarusian Universal Commodity Exchange platform.

We are ready to offer you our dairy products for shipment on the terms of 100% prepayment and FCA delivery to Mogilev, Mogilev region. Orders are accepted in the volume of a full truckload of 32-33 pallets.

For inquiries regarding cooperation and discussing potential trade operations between our companies, please contact us via email: vedbkmogilev@gmail.com or by phone: +375293839200 - Head of foreign trade department Prashchalykin Ruslan.

Our company is completely open to cooperation and will be pleased to find new business partners. We hope that our high-quality products, meeting the highest requirements of major international dairy companies, will also be in demand in your region.
