

MANHARD

PROFESSIONAL SHOES

LLC "MANHARD" is a Belarusian manufacturer of special-purpose footwear.

The footwear is made from "yuft" leather 1.8-2.0 mm thick, and is equipped with a composite toe cap where ultimate reliability is required, and a thermoplastic toe cap where lightness is key.

We produce footwear for a wide range of industrial sectors:

- Construction
- Metallurgy
- Petrochemical industry
- Food industry
- Light industry
- Woodworking
- Forestry
- Agro-industrial complex
- Mining industry

Our product range includes

- *We have been in the market for 9 years, and over that time we have perfected the craft of making footwear that stands up to heat, cold and years of use.*
- *Every year, MANHARD manufactures over 30,000 pairs of footwear, and each pair undergoes strict quality control at all stages of production.*
- *We started our export journey in the Russian Federation, and that experience continues to guide us. We are valued and trusted, and we keep moving forward. We are also open to partnerships in other countries — we review offers from all regions and adjust our terms to fit partners' needs. To us, every order is not a task, but a chance to make something that really counts.*
