

COMMERCIAL OFFER

Dear Ladies and Gentlemen,

Orsha Linen Mill is the leader of light and textile industry in the Republic of Belarus. Our enterprise is the largest in Europe and one of the biggest producers of linen fabric and products in the world.

Orsha Linen Mill has been putting into practice the whole manufacturing cycle from processing of flax fiber to production of finished fabric and sewing goods under the registered trademark Orsha Linen Mill since 1930.

Our enterprise offers a large variety of linen products:

- apparel fabrics;
- fabrics for bed linen;
- fabrics for table linen;
- decorative and upholstery fabrics;
- fabrics for technical purposes;
- linen yarns (of dry and pneumatic-mechanical spinning);
- cottonized linen fiber, flax fiber

Besides, Orsha Linen Mill accomplishes the sewing process of ready-made products:

- apparel;
- table linen;
- bed linen;
- kitchen linen sets;
- plaids, bed covers;
- sets for sauna;
- towels and sets of towels.

We offer a range of wholesale and retail tailored orders, along with ready-made products for hotels and catering companies to suit the most demanding requirements and quality standards. All supplies are held on terms of the FCA Orsha basis according to INCOTERMS – 2020, 100% prepayment, and direct contracts.

Discover new business opportunities by working with Orsha Linen Mill.
